

Brainstorming & Idea Prioritization Template

Date	10 -07-2026
Team ID	XXXXXXXXXXXX
Project Name	Automated Employee Onboarding & Off boarding System
Maximum Marks	3 Marks

Step 1: Brainstorm and Idea Listing

Each team member lists out as many ideas as possible without judging them at this stage.

S.No	Team Member	Idea / Suggestion	Category	Group No.
1	Vipparthi Keerthana	Develop an AI-powered Personalized Networking Assistant that generates intelligent conversation starters based on event descriptions and user interests.	AI & NLP	1
2	Majji Sudharshan	Design an interactive and responsive web interface using Streamlit for users to input event details and receive networking suggestions.	Frontend Development	2
3	Krishna Akash Gokarakonda	Integrate DistilBERT for automatic event theme extraction and GPT-2 Small for generating personalized networking conversation starters.	Machine Learning	3
4	Pavitra Paidi	Implement a fact-checking module using the Wikipedia API to provide verified information on networking topics.	Knowledge Verification	4

5	Subash Chaudhary	Store conversation history and user feedback using JSON files to improve user experience and enable future recommendation enhancements.	Data Management	5
---	------------------	---	-----------------	---

Step 2: Idea Prioritization

Project: Employee Onboarding & Offboarding System in ServiceNow

Group No.	Final Idea	Feasibility (High/Medium/Low)	Importance (High/Medium/Low)	Priority	Selected (Yes/No)
1	Develop an AI-powered Personalized Networking Assistant for generating conversation starters based on event descriptions and user interests.	High	High	1	Yes
2	Build an interactive web application using Streamlit for collecting user inputs and displaying AI-generated networking suggestions.	High	High	2	Yes
3	Integrate DistilBERT and GPT-2 Small models for event theme extraction and intelligent conversation generation.	High	High	3	Yes
4	Implement Wikipedia API-based fact checking to provide reliable and verified information about networking topics.	High	Medium	4	Yes
